Mir Chakar Khan Rind University of Technology, Dera Ghazi Khan mcut.edu.pk/index.php/mcut-news

Volume No. 01 | Issue No. 01 | Jan – Mar 2021

Prof. Dr. Mahmood Saleem
assumed the charge as
Vice Chancellor of
Mir Chakar Khan Rind
University of Technology
Dera Ghazi Khan

**Prof. Dr. Mahmood Saleem,
Vice Chancellor (MCKRUT)**

**Prof. Dr. Mahmood Saleem was assuming the charge
as Vice Chancellor from Dr. M. Tufail (TI)**

Prof. Dr. Mahmood Saleem assumed his charge as Vice Chancellor of Mir Chakar Khan Rind University of Technology (MCKRUT), D. G. Khan on Jan 23, 2021 by hands of Prof. Dr. Muhammad Tufail (TI) Vice Chancellor, Ghazi University, D. G. Khan. Prof. Dr. Muhammad Suleman Tahir Vice Chancellor, KFUEIT, Rahim Yar Khan and Dr. Allah Bakhsh Gulshan, Registrar Ghazi University D.G. Khan was also present at that moment.

Dr. Mahmood Saleem has been working as Professor of Chemical Engineering since 2008. He graduated in Chemical Engineering in 1991 from the Institute of Chemical Engineering, University of the Punjab. His professional career started with Dawood Hercules (Pvt.) Ltd as Team member of New 1000 MTPD Urea project. After that he joined the Institute of Chemical Engineering, University of the Punjab as Research Officer in November 1992. In 1994, he was appointed as Lecturer at the same Institution. He completed Master's degree in Chemical Engineering from his parental institute in 1998. He was appointed as Assistant Professor in year 2000. He was selected as Head of Chemical Technology at BTI Bahrain (Middle East). Later on, he was awarded merit scholarship for Doctoral studies in Chemical Engineering from Graz University of Technology, Graz, Austria in 2003. He completed his Doctoral studies in three and half years and returned home in April, 2007.

Before joining MCKRUT D. G. Khan, Prof. Dr. Mahmood Saleem was working as Dean Faculty of Engineering & Technology and Director of Institute of Energy and Environmental Engineering in University of the Punjab Lahore. He was also working as Director of Center of Coal Technology for Institute of Energy.

Dr. Mahmood has been actively engaged in R&D activities. His research interests include Gas Cleaning, Process development, Gas-Solid reacting systems and Filtration and separation systems. Currently he is leading HEC funded research project on Co-Combustion of coal and waste in CFBC. Another project on production of bio-oil through Fast Pyrolysis of agricultural waste is in development stage under his directions. He has supervised two PhDs and currently two PhD students have submitted their thesis for final defense and one scholars is currently working under his supervision. He has published 31 research articles in national and international journals along with 02 books. He is member of different professional bodies such as AIChE, ACS, PEC, PIChE, IEP and PCS. He held management posts in the aforementioned organizations.

Faculty and Staff of MCKRUT warmly welcomed The Worthy Vice Chancellor

Prof. Dr. Mahmood Saleem took over charge as Vice Chancellor of MCKRUT D. G. Khan. All the faculty members of the university warmly welcomed the Vice Chancellor Prof. Dr. Mahmood Saleem. Mr. Arif khan (Assistant registrar) briefed the Vice Chancellor Prof. Dr. Mahmood Saleem about the university. Vice Chancellor Prof. Dr. Mahmood Saleem also visited the various departments and labs of university.

MEETING REGARDING APPROVAL OF PC1 WITH PSDP

The Vice Chancellor and his team is continuously working for development of PC1, submission of PC1 to SNDP portal. There was positive response from Secretary Industry for the approval and processing of PC1. Engr. Abdullah Farrukh and Mr. Muhammad Ayub were also present during the meeting.

On March 16, 2021 at MCKRUT, D. G. Khan, in accordance with the vision of the Prime Minister of Pakistan Imran Khan and under the direction of Vice Chancellor Prof. Dr. Mahmood Saleem shady trees were planted at the main entrance of the university. The National Cleaner Production Center Foundation Rawalpindi fully cooperated in this tree planting campaign. Under the auspices of the Vice Chancellor and under his direction, Mr. Baqir Hussain Khosa used his efforts to make the university green.

MCKRUT MAINTAINED TRADITION OF
TREE PLANTING CAMPAIGN

1ST INTERNATIONAL CONFERENCE ON SCIENCE, ENGINEERING & TECHNOLOGY 2021 (ICSET-2021) WAS ORGANIZED BY MCKRUT

VC MCKRUT Prof. Dr. Mahmood Saleem with faculty members during the ICSET-2021

MCKRUT, D. G. Khan, the only technology varsity in the vicinity, has taken an unprecedented step towards technological advancement in the region. University conducted its first international conference on Science, Engineering and Technology (ICSET-2021) on March 18, 2021. This conference was first of its kind to be held at such a massive scale in a far off division like Dera Ghazi Khan. Vice chancellor (MCKRUT DG KHAN), Prof. Dr. Mahmood Saleem has taken revolutionary measures to take university and technology to the new heights. It was his strong vision to conduct an international conference in the university within 60 days of his holding the VC office.

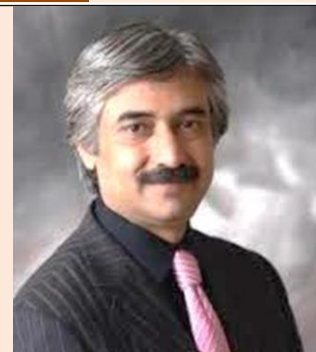

CHIEF GUEST & GUEST OF HONOURS

Prof. Dr. Fazal Ahmad Khalid (SI)
Chairman Punjab Higher Education
Commission

Prof. Dr. Niaz Ahmad (SI)
Vice Chancellor,
University of the Punjab, Lahore

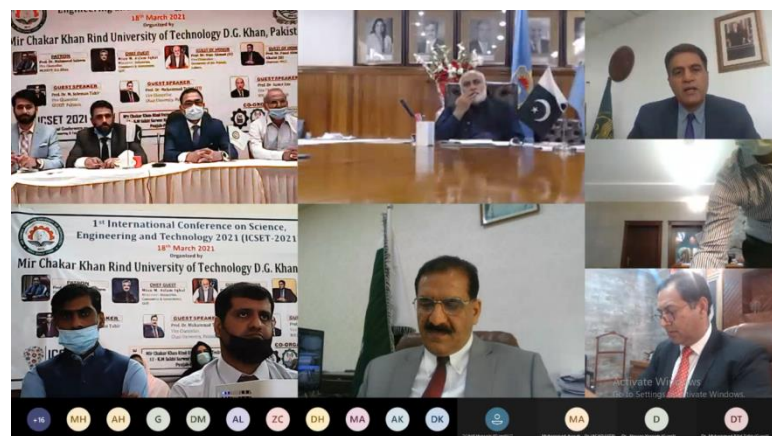

Mian M. Aslam Iqbal
Minister: Industries, Commerce &
Investment, GOP

Due to Covid-19 pandemic, the conference was shifted to online mode, initially. Vice Chancellors, directors, deans, professors, research scholars from all around the world participated in the conference with full zeal.

Organizers of this International Conference included Engr. Safdar Hussain, Dr. Waqas Aleem, Engr. Abdullah Farrukh, Mr. Amanullah, Dr. Sheraz, Engr. Syed Muhammad Ali Imran and Engr. Mansoor Shafiq Durrani.

Mian Muhammad Aslam Iqbal, Minister for industries, commerce and investment, Government of Punjab was chief guest of the conference. Prof. Dr. Fazal Ahmad Khalid (Sitara-e-Imtiaz), Chairman Punjab Higher Education Commission and Prof. Dr. Niaz Ahmad Akhtar (Sitara-e-Imtiaz) Vice Chancellor, University of the Punjab Lahore participated as guest of honors. There was a prolonged list of guest speakers. Prof. Dr. Muhammad Suleman Tahir Vice Chancellor, KFUEIT, Prof. Dr. Muhammad Tufail (Tamgha-e-Imtiaz), Vice Prof. Dr. Chancellor, Ghazi University, Prof. Dr. Amir Ijaz, Vice Chancellor, MNS UET, Pakistan, Prof. Dr. Muhammad Ashraf Shaheen University of Sargodha, Pakistan, Prof. Dr. Shahzad Sarwar, University of the Punjab, Pakistan. Dr. Muhammad Sagir, KFUEIT, Pakistan. Dr. Muhammad Bilal Tahir KFUEIT, Pakistan. Prof. Dr. Faiz Ahmad, Universiti Teknologi PETRONAS, Malaysia. Dr. Muhammad Ayoub, Universiti Teknologi PETRONAS, Malaysia. Dr. Aqsha Aqsha, CM Technologies, Canada. Dr. Mohammad Tazli Azizan, Universiti Malaysia Perlis, Malaysia. Dr. Sheng Hong He, University of Oxford, United Kingdom. Prof. Dr. Allan Walton, University of Birmingham, United Kingdom and Dr. Mohamad Khairi Ishak, Universiti Sains Malaysia, Malaysia were guest speakers. Ceremony comprised of three sessions. It was started with inaugural morning session and then two parallel technical sessions in afternoon. Conference was officially started with recitation and then followed by welcome address by patron in chief, VC MCKRUT D. G. KHAN Prof. Dr. Mahmood Saleem.

He thanked conference committee, participants and presenters and welcomed them all to the Ist International conference on Science, Engineering and Technology (ICSET-2021). He also expressed his gratitude for the speakers from across the globe.

Prime motive behind this event was to introduce the faculty, aspiring scholars and students to a platform where field experts and researchers would share their experiences and knowledge. It would help in building entrepreneurial and networking skills. Long term goals included paving a way forward for starting a culture in the university and country, where stakeholders would shift their paradigm according to eminent challenges like pandemics. It would help shift focus towards knowledge-based economy. While, briefly introducing the institution to attendees, he told that MCKRUT was established in 2019 and is the only public sector engineering Technology University in this remote region. Previously, it was functioning as Government College of technology. It is spread over an area of 288 kanals. Currently university is offering five engineering technology programs including civil, chemical, electrical, petroleum, computer and IT. It also has strong plans to start other conventional as well as emerging technology programs like basic sciences, bio technology, machine learning and artificial intelligence.

GUEST SPEAKERS

Prof. Dr. M. Suleman Tahir
Vice Chancellor, KFUEIT
Pakistan.

Prof. Dr. Muhammad Tufail (TI)
Vice Chancellor,
Ghazi University, Pakistan.

Prof. Dr. Aamir Ijaz
Vice Chancellor,
MNS UET, Pakistan.

Prof. Dr. Allan Walton
University of Birmingham
United Kingdom.

Prof. Dr. M. Ashraf Shaheen
University of Sargodha
Pakistan.

Prof. Dr. Faiz Ahmad
Universiti Teknologi
PETRONAS, Malaysia.

Dr. Mohammad Tazli Azizan
Universiti Malaysia Perlis,
Malaysia.

Dr. Shenghong He
University of Oxford,
United Kingdom.

Prof. Dr. Shahzad Sarwar
University of the Punjab,
Pakistan.

Dr. Aqsha Aqsha
CM Technologies,
Canada.

Dr. Muhammad Sagir
KFUEIT, Pakistan.

Dr. Mohamad Khairi Ishak
Universiti Sains Malaysia,
Malaysia.

Dr. Muhammad Bilal Tahir
KFUEIT, Pakistan.

Dr. Muhammad Ayoub
Universiti Teknologi
PETRONAS, Malaysia.

University has signed memorandum of understanding (MOUs) with leading engineering and technology institutions in Punjab like University of Punjab, KFUEIT RYK, MNSUET Multan and BZU Multan. These MOUs will help in placement of final year students on mandatory industrial training as requirement for fulfillment of degree.

While addressing to the conference audience, Dr. Fazal Ahmad Khalid, Chairman Pakistan Higher Education Commission emphasized on importance of modern technologies. As a chairman Punjab higher education commission, he assured full support and funding needed for development of university. He said that outcome-based quality education is a need of the current age to meet pertaining challenges. This can be achieved through state-of-the-art research facilities and faculty development through training programs and workshops.

Prof. Dr. Niaz Ahmad Akhtar (SI), Vice Chancellor University of the Punjab, Lahore congratulated Dr. Mahmood Saleem on achieving this milestone. He appreciated the collective efforts put in by MCKRUT to conduct an international conference in the region. He highlighted the issues pertinent to curriculum being taught in universities. It is inevitable to develop curriculum to inculcate quality education in graduates to meet modern challenges.

Prof. Dr. Muhammad Suleman Tahir, Vice Chancellor Khawaja Fareed University of Engineering and Information Technology Rahim Yar Khan talked about existing challenges in the region and presented an idea that higher education institutions must adopt solution oriented culture. He further said that it is appropriate to shift focus towards employing technology for solving real life problems existing in the surrounding.

While addressing the conference Prof. Dr. Muhammad Tufail (TI), Vice Chancellor Ghazi University D.G Khan came up with a comprehensive presentation. Being vice chancellor of general sciences and Humanities University from the same district, he assured of future collaborations in administrative, academic and research areas to uplift the standard of education in both institutions. He appreciated Dr. Mahmood Saleem's

efforts. He also presented suggestions about starting emerging technology programs in the university, which could enable future generations keep their pace up with world. Prof. Dr. Amir Ijaz, Vice Chancellor Muhammad Nawaz Sharif University of Engineering & Technology Multan emphasized on enhancement of education budget for higher education institutions. He said that we cannot compete the world without proper resources. While addressing the audience, he said that governments and stakeholders must prioritize universities while allocating budget. He said faculty must encourage students to ask questions, so that they could develop quest to learn new things. He also stressed about faculty development to raise the quality of education.

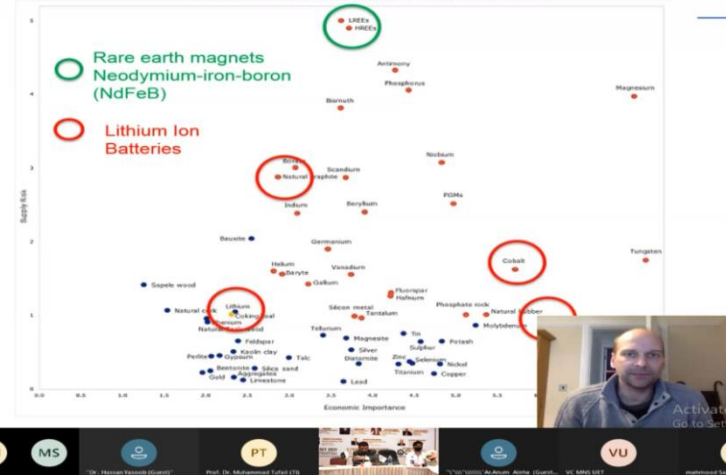

After the opening ceremony, two parallel technical sessions were held, in which national and international research scholars, scientists, faculty and students from different countries including Pakistan, China, Malaysia, UK, Canada, Belgium, Italy, UAE and South Korea. Dr. Waqas Aleem, Dr. Sheraz Ahmed and Dr. Madah Mustafa performed the duties of Sessions Chair in these parallel sessions. During this time, more than 80 research scholars from different universities of world presented their research to the audience. Finally, the Vice Chancellor MCKRUT DG Khan Prof. Dr. Mahmood Saleem acknowledged the Chief Guests, Guest of Honors, the speakers.
